

Name	Synonym/Comment
Roeseliana bispina <a href="http://observation.org/soort/view/662253">http://observation.org/soort/view/662253</a>	Metrioptera bispina <a href="http://observation.org/soort/view/156259">http://observation.org/soort/view/156259</a>
Roeseliana fedtschenkoi <a href="http://observation.org/soort/view/662255">http://observation.org/soort/view/662255</a>	Metrioptera fedtschenkoi <a href="http://observation.org/soort/view/156261">http://observation.org/soort/view/156261</a>
Roeseliana pylnovi <a href="http://observation.org/soort/view/662256">http://observation.org/soort/view/662256</a>	Metrioptera pylnovi <a href="http://observation.org/soort/view/156262">http://observation.org/soort/view/156262</a>
Roeseliana roeselii <a href="http://observation.org/soort/view/662257">http://observation.org/soort/view/662257</a>	Metrioptera roeselii <a href="http://observation.org/soort/view/1928">http://observation.org/soort/view/1928</a>
Bicolorana bicolor <a href="http://observation.org/soort/info/647255">http://observation.org/soort/info/647255</a>	Metrioptera bicolor <a href="http://observation.org/soort/info/2297">http://observation.org/soort/info/2297</a>
Bicolorana kuntzeni <a href="http://observation.org/soort/info/647257">http://observation.org/soort/info/647257</a>	Metrioptera kuntzeni <a href="http://observation.org/soort/info/106143">http://observation.org/soort/info/106143</a>
Bicolorana burri <a href="http://observation.org/soort/info/647256">http://observation.org/soort/info/647256</a>	Metrioptera burri <a href="http://observation.org/soort/info/156260">http://observation.org/soort/info/156260</a>
Depressotetrix depressa <a href="http://observation.org/soort/view/156169">http://observation.org/soort/view/156169</a>	Uvarovitettix depressus <a href="http://observation.org/soort/view/106060">http://observation.org/soort/view/106060</a>
Diestrammena (Tachycines) <a href="http://observation.org/soort/subspecies/650417">http://observation.org/soort/subspecies/650417</a>	These are not subspecies > species
Mecostethus parapleurus <a href="http://observation.org/soort/view/105473">http://observation.org/soort/view/105473</a>	Parapleurus alliaceus <a href="http://observation.org/soort/view/156469">http://observation.org/soort/view/156469</a>
Melanoplus frigidus <a href="http://observation.org/soort/view/655912">http://observation.org/soort/view/655912</a>	Bohemanella frigida <a href="http://observation.org/soort/view/105368">http://observation.org/soort/view/105368</a>
Montana montana <a href="http://observation.org/soort/view/656824">http://observation.org/soort/view/656824</a>	Platycleis montana <a href="http://observation.org/soort/view/106184">http://observation.org/soort/view/106184</a>
Montana armeniaca <a href="http://observation.org/soort/view/656811">http://observation.org/soort/view/656811</a>	Platycleis armeniaca <a href="http://observation.org/soort/view/156323">http://observation.org/soort/view/156323</a>
Montana carpetana <a href="http://observation.org/soort/view/656813">http://observation.org/soort/view/656813</a>	Platycleis carpetana <a href="http://observation.org/soort/view/106180">http://observation.org/soort/view/106180</a>
Montana elegans <a href="http://observation.org/soort/view/656816">http://observation.org/soort/view/656816</a>	Platycleis elegans <a href="http://observation.org/soort/view/156325">http://observation.org/soort/view/156325</a>
Montana eversmanni <a href="http://observation.org/soort/view/656817">http://observation.org/soort/view/656817</a>	Platycleis eversmanni <a href="http://observation.org/soort/view/106181">http://observation.org/soort/view/106181</a>
Montana helleri <a href="http://observation.org/soort/view/656820">http://observation.org/soort/view/656820</a>	Platycleis helleri <a href="http://observation.org/soort/view/156326">http://observation.org/soort/view/156326</a>
Montana kure <a href="http://observation.org/soort/view/656821">http://observation.org/soort/view/656821</a>	Platycleis kure <a href="http://observation.org/soort/view/156328">http://observation.org/soort/view/156328</a>
Montana macedonica <a href="http://observation.org/soort/view/656822">http://observation.org/soort/view/656822</a>	Platycleis macedonica <a href="http://observation.org/soort/view/106182">http://observation.org/soort/view/106182</a>
Montana medvedevi <a href="http://observation.org/soort/view/656823">http://observation.org/soort/view/656823</a>	Platycleis medvedevi <a href="http://observation.org/soort/view/106183">http://observation.org/soort/view/106183</a>
Montana schereri <a href="http://observation.org/soort/view/656826">http://observation.org/soort/view/656826</a>	Platycleis schereri <a href="http://observation.org/soort/view/156333">http://observation.org/soort/view/156333</a>
Montana striata <a href="http://observation.org/soort/view/656827">http://observation.org/soort/view/656827</a>	Platycleis striata <a href="http://observation.org/soort/view/106185">http://observation.org/soort/view/106185</a>

Montana stricta <a href="http://observation.org/soort/view/656828">http://observation.org/soort/view/656828</a>	Platycleis stricta <a href="http://observation.org/soort/view/106186">http://observation.org/soort/view/106186</a>
Montana taurica <a href="http://observation.org/soort/view/656829">http://observation.org/soort/view/656829</a>	Platycleis taurica <a href="http://observation.org/soort/view/156335">http://observation.org/soort/view/156335</a>
Montana uvarovi <a href="http://observation.org/soort/view/656832">http://observation.org/soort/view/656832</a>	Platycleis uvarovi <a href="http://observation.org/soort/view/156336">http://observation.org/soort/view/156336</a>
Miramella formosanta <a href="http://observation.org/soort/view/105479">http://observation.org/soort/view/105479</a>	Nadigella formosanta <a href="http://observation.org/soort/view/657003">http://observation.org/soort/view/657003</a>
Pseudochorthippus montanus <a href="http://observation.org/soort/view/661248">http://observation.org/soort/view/661248</a>	Chorthippus montanus <a href="http://observation.org/soort/view/1906">http://observation.org/soort/view/1906</a>
Pseudochorthippus parallelus <a href="http://observation.org/soort/view/661249">http://observation.org/soort/view/661249</a>	Chorthippus parallelus <a href="http://observation.org/soort/view/1717">http://observation.org/soort/view/1717</a>
Pseudochorthippus parallelus tenuis <a href="http://observation.org/soort/view/670922">http://observation.org/soort/view/670922</a>	Chorthippus parallelus tenuis <a href="http://observation.org/soort/view/154656">http://observation.org/soort/view/154656</a>
Tessellana lagrecai <a href="http://observation.org/soort/view/664300">http://observation.org/soort/view/664300</a>	Platycleis lagrecai <a href="http://observation.org/soort/view/106209">http://observation.org/soort/view/106209</a>
Tessellana nigrosignata <a href="http://observation.org/soort/view/664301">http://observation.org/soort/view/664301</a>	Platycleis nigrosignata <a href="http://observation.org/soort/view/106210">http://observation.org/soort/view/106210</a>
Tessellana orina <a href="http://observation.org/soort/view/664302">http://observation.org/soort/view/664302</a>	Platycleis orina <a href="http://observation.org/soort/view/106211">http://observation.org/soort/view/106211</a>
Tessellana tessellata <a href="http://observation.org/soort/view/664303">http://observation.org/soort/view/664303</a>	Platycleis tessellata <a href="http://observation.org/soort/view/2310">http://observation.org/soort/view/2310</a>
Tessellana tessellata holoptera <a href="http://observation.org/soort/view/671881">http://observation.org/soort/view/671881</a>	Platycleis tessellata holoptera <a href="http://observation.org/soort/view/154677">http://observation.org/soort/view/154677</a>
Tessellana veyseli <a href="http://observation.org/soort/view/664304">http://observation.org/soort/view/664304</a>	Platycleis veyseli <a href="http://observation.org/soort/view/106213">http://observation.org/soort/view/106213</a>
Poecilimon <a href="http://observation.org/search.php?q=poecilimon&amp;x=0&amp;y=0">http://observation.org/search.php?q=poecilimon&amp;x=0&amp;y=0</a>	Almost every species is double integrated. And every new species is arranged as subspecies. All new species are added to the family Tettigoniidae which should be Phaneropteridae
